DEFENDER

CERNIERE A SCOMPARSA DI SERIE E DUPLICE POSSIBILITÀ DI APERTURA: PARZIALE ALL'INTERNO DELL'AMBIENTE E TOTALE ALL'ESTERNO COMPLETAMENTE A RIDOSSO DEL SERRAMENTO E DELLA PERSIANA GRAZIE AD UN PRATICO SNODO DI DUE LUNGHEZZE DIFFERENTI.

Hidden Hinges as standard and double opening possibility: inside it can be opened partially whereas outside it can be opened totally next to window and the blind thanks to an easy junction of 2 different lengths.

Las bisagras son invisibles y hay una doble posibilidad de abertura parcial dentro el ambiente o completa a l'exterior contra la ventana o la persianas gracias a un cruce de dos largos diferentes.

Paumelles invisible comme standard et la double chance d'ouverture : partielle à l'intérieur et complète à l'extérieure jusqu'au près des fenêtres et ombres grâce à une pratique jonction des 2 différentes longueurs.

GRAZIE AL TAGLIO LASER, NEL MIGLIOR STILE ALIAS, LA LINEA È PRECISA E RIGOROSA E SI CONTRADDISTINGUE PER LA TOTALE ASSENZA DI SALDATURE A VISTA. TUTTI I PRODOTTI SONO PREDISPOSTI PER ACCOGLIERE UN SISTEMA DI ANTIFURTO WIRELESS.

Thank to laser cutting, as all Alias products, the line is strict and precise and it is featured by invisible welding. All the grates are set for the installation of a wireless alarm system.

Gracias al corte al laser, según el mejor estilo Alias, la línea es precisa y rigurosa sin soldaduras visibles. Todas las estructuras están preparadas para acoger un sistema antirrobo wireless.

Grace à la découpe laser dans le meilleur style Alias, la ligne est précise et rigoureuse et elle se caractérise pour l'absence des soudures visibles. Tous les produits sont prédisposés pour l'installation d'un système d'alarme wireless.
