GOLD COLLECTION

TIME IS GOLD

Per chi è sempre alla ricerca del vero gusto contemporaneo ponendo grande attenzione ai materiali e al design. Per chi ama rifugiarsi in atmosfere essenziali dove minimalismo e morbidezza delle linee sono i tratti distintivi. GOLD: una collezione dal mood elegante e nello stesso tempo di tendenza. Il futuro è GOLD!

For anyone on the constant lookout for real contemporary style, who takes infinite care over the materials and design. For anyone who loves to retreat into understated settings where minimalism and soft lines are distinctive features. GOLD: a collection with an elegant, yet on-trend mood. The future is GOLD!

▲ Gold | Composition One

Cucina con ante impiallacciate rovere nodato naturale e ante laccate in finitura acciaio graffiato. Piano top Fenix nero e piano isola misto con impiallacciato rovere nodato spess. 4 cm. Gole e zoccolo colore nero.

Kitchen with natural knotted oak veneered doors and lacquered doors in etched steel finish. Fenix black counter top and mixed island top with knotted oak veneer finish, thickness 4 cm. Black groove handle and plinth.

GOLD presenta una grande varietà di finiture, colori e materiali per dare unicità e personalità a ogni soluzione d'arredo.

GOLD comes in a wide variety of finishes, colours and materials to lend a sense of uniqueness and personality to every single furnishing solution.

▲ Gold | Composition Two

Cucina con ante impiallacciate rovere nodato grigio cenere, colonne e basi a giorno bianche. Piano top e fianchi isola Fenix. Gole e zoccolo colore nero.

Kitchen with knotted oak grigio cenere veneered doors, white open-plan tall and base units. Fenix counter top and island sides. Black groove handle and plinth.

La modularità delle colonne e degli elementi a giorno permette di costruire la grande parete attrezzata multifunzionale che arreda l'ambiente.

The modular design of the tall units and open-plan elements allows you to build a large, well-equipped, multi-purpose wall which creates a statement element in the room.

L'anta squadrata si abbina perfettamente all'apertura a gola e offre una presa e un'apertura migliore.

The square profile door fits perfectly with the groove handle for a better grip and ease-of-opening.

COOK

COLLECTION

TAKE YOUR TIME

Calore, equilibrio, praticità, emozione. Mix tra funzionalità ed estetica, COOK esalta le forme classiche rivisitandole in stile moderno. Gli elementi si fondono dando vita a soluzioni d'arredo uniche che trascendono il tempo e fanno rivivere sensazioni lontane con una chiave di lettura prettamente vintage e elegantemente originale.

Warmth, balance, practicality, emotion. A blend of functionality and good looks, COOK enhances classic shapes, revamped in a modern style. The elements are blended to create unique furnishing solutions which stand the test of time and revive the emotions of by-gone days with an exclusively vintage, yet elegantly original twist.

▲ Cook | Composition One

Cucina con ante impiallacciate frassino laccate poro aperto color visone, elementi a giorno laccati blu oltremare opaco. Piano top Touch peltro.

Kitchen with ash, open pore, veneered and lacquered doors in visone; open-plan elements in a super matte, blu oltremare finish. Touch counter top in peltro.

Essenzialità di volumi aperti associata a soluzioni funzionali che si fondono con linee prettamente classiche come le bugnature dei pensili e le finiture in legno.

Clean-lined, open-plan units paired with functional solutions blended with exclusively classic lines, such as the ashlar effect on the wall units, and the wood finishes.

NEXUS

COLLECTION

ALL YOU
NEED IS
TIME

Pulizia ed estetica, funzionalità e design in sintonia con i nuovi trend abitativi open space che prediligono soluzioni di grande valore tecnico e di forte impatto visivo. Una cucina capace di soddisfare ogni esigenza abitativa, di andare oltre esaltando la modularità della composizione e l'articolazione degli spazi tra cucina e living. La collezione NEXUS è tutto quello di cui hai bisogno!

Clean-lines and good looks, functionality and design in line with new, open space living trends which feature highly technical solutions with a strong visual impact. A kitchen that not only ticks all the boxes, but also enhances the modular layout of the composition and the flow from the kitchen into the living room. The NEXUS collection is all you'll ever need!

▲ Nexus | Composition One

Cucina con ante in melaminico spess. 22 mm colore Bianco vertical e Textone, elementi a giorno laccati Visone opaco. Piano top Fenix bianco kos spess. 2 cm, piano tavolo in melaminico Bordeaux spess. 45 mm.

Kitchen with melamine-faced doors, thickness 22, in vertical white and Textone colours, and open elements in a supermatte Visone finish. Fenix white kos countertop, thickness 2 cm, table top with a melamine-faced, Bordeaux finish, thickness 45 mm.

Una cucina caratterizzata da un design moderno grazie alla finitura Textone che regala alla composizione un contemporaneo effetto cemento.

A kitchen featuring a modern design thanks to the Textone finish which gives the composition a contemporary concrete-effect.

▲ Nexus | Composition Two

Cucina con ante in melaminico spess. 22 mm colore Noce polar e Noce visone in finitura poro a registro. Piano top Fenix grigio Londra spess. 2 cm. Gole e zoccolo colore nero.

Kitchen with melamine-faced doors, thickness 22, in noce polar and noce visone colours, with a synchronised pore finish. Fenix gray Londra countertop, thickness 2 cm. Groove handle and plinth.

Segni semplici e sobri, alleggerite dalle basi sospese, che rappresentano la soluzione più accattivante nelle situazioni di open space, laddove cucina e living si fondono.

Simple, sober features, lifted by wall-hung base units, which is the most attractive solution in open spaces where the kitchen and living room are merged.

Il concetto della fusione degli spazi è espresso perfettamente con una soluzione che regala ampio respiro all'ambiente giorno.

The concept of merging spaces is perfectly expressed with a solution that leaves plenty of room for the day area.
